Guidelines Fallbrook Gem and Mineral Society Scholarship

- Nov. 22 2022: online opening of scholarship application
- Feb. 28 2023: deadline for receipt of application
- April 6 2023 Board meeting: delivery of summary by Scholarship committee
- May 11 2023 General membership meeting: award announcement

Goal: to provide assistance and incentive for students to pursue a career and/or higher education in the field of Earth Sciences.

Scholarship recipient must:

- Be an Earth Science major or intend to declare as such when possible; **AND**
- Be applying to and accepted by, have an offer from or be registered in an accredited institution of higher education by the May 2023; **AND**
- Be living in or attending school in region: Fallbrook, Rainbow, De Luz, Bonsall, Pala California **AND**
- Have a 2.5 or above GPA demonstrated by an official transcript.
- Scholarship candidates without the minimum criteria will not be considered for the Fallbrook Gem and Mineral Society scholarship.

Students can apply by emailing Fallbrook Gem & Mineral Society at info@fgms.org and requesting an application form OR complete the online form on or after Nov. 22, 2022.

Scholarship will be paid directly to the accredited institution for the use of the award recipient. Scholarship information will be announced: to the FGMS membership; on the FGMS website; and through local high schools and colleges on and following November 22, 2022.

Deadline for receipt of online or mailed application: February 28, 2023. Scholarship committee will report a summary of candidates to Fallbrook Gem & Mineral Society Board of Directors by the April 2023 Board of Directors meeting; their decision is final.

Award will be announced by the May 11 2023 FGMS meeting of the General membership or no later than May 21 2023 unless no candidate qualifies, in which case the scholarship is deferred to the following year. All applicants will be notified before May 21 2023.

Upon receiving verification from the recipient that they have enrolled in an accredited educational institution, a remittance in the amount of \$1,000.00 will be made to the educational institution for the recipient's expenses related to their education in an Earth Science field.
